

Benjamin Fulford Report: The Khazarian Mafia is planning a holocaust for April 8th; they will be stopped – March 25, 2024

By Edward Morgan - March 28, 2024

The Khazarian mafia is planning a holocaust or mass murder event for the US Christian heartland on April 8th. The entire April 8th solar eclipse event has been forensically traced to the (kill 90% of humanity and enslave the rest) Chabad death cult.

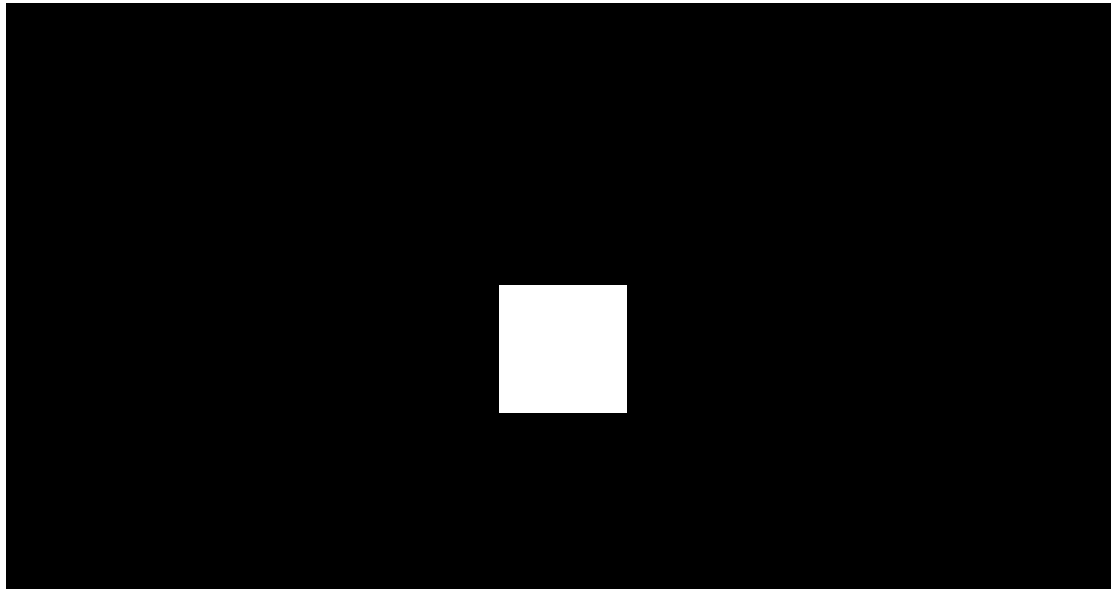

<https://www.chabad.org/calendar/view/day.asp?tdate=4/8>

They are also telegraphing a “black swan event” through people like the fake General Mike Flynn and the politician Ron Paul.

00:17

00:00

00:18

There is also widespread preparation for mass casualties, as can be seen for example in this emergency hospital being set up in Calgary, Canada.

Samaritan's Purse says the tents that make up the Emergency Field Hospital can serve more than 200 patients and house 15-30 surgeries every day in a disaster area. Calgary is now home to such resources. (Courtesy Samaritan's Purse) © Samaritan's Purse 2023

Let us be perfectly clear, solar eclipses are when the moon blocks the sun and have never been associated with mass casualties. This means what is planned is not a solar eclipse.

Our US Space Force sources tell us the KM are planning to use Reagan-era Star Wars satellite-based weapons, laser firing planes and other methods to kill as many people as possible in a burnt offering to Moloch, aka Satan. The mark used by the cult of Moloch is the official insignia of the Satanic Nazi government of Ukraine.

These Messianic fanatical criminals want to carry out this event as a preliminary for a planned sacrifice of a red heifer to Moloch.

This would be followed by the construction of the third temple. Since the time of Moses, only nine red heifers have been sacrificed. Now, a "massive altar" for the tenth red heifer sacrifice has been built in Israel, and there is a tremendous amount of speculation that it could happen soon...there was "a practice run of the purification ceremony" in 2023. But an official ceremony must be conducted before the heifers get too old to be used for such a sacrifice...according to Temple Institute rabbis, they hope to carry out the ceremony before [the April 22nd] Passover 2024.

<http://endoftheamericandream.com/a-massive-altar-for-the-red-heifer-sacrifice-has-been-constructed-in-israel/>

The holocaust planned for this sacrifice WILL BE STOPPED. The US Space Force and white hat military will shoot down these satellites and other weapons if they are deployed.

Also, if they carry out a mass murder event in the US heartland then Jerusalem, Geneva, Kiev and the Norwegian Antarctic base will be wiped out by intercontinental nuclear missiles, US Space Force sources promise.

The reason the KM are desperate to carry out a mass murder event is because they are losing power and know they will be facing war crimes tribunals and the death penalty when that happens.

The events surrounding the British Royal family are a sign of this imminent collapse. King Charles, his wife Camilla, Prince Andrew, Prince Edward, Crown Prince William and his wife Kate Middleton have vanished from public view. Our MI6 sources tell us they were all killed by white hats after they sacrificed Kate Middleton to Satan.

Regardless of whether or not this is true, the public events surrounding the royals indicate something highly unusual is going on. There was the parade of the royal guards with a flag covered in black cloth and a white horse without a king on it. This is a traditional sign the king has died. Also, Kate Middleton failed to reappear after her "abdominal surgery."

After this, there were clumsy attempts to make it seem all was normal. A photograph of Kate released by the royal family was quickly exposed as fake. Then a video purported to be of her with Prince William was released.

<https://www.dailymail.co.uk/femail/article-13211807/Kate-Middletons-body-language-pictured-Prince-William-visit-farm-shop.html>

BBC reporter Sonja McLaughlan among others said the woman photographed and seen in a video with Prince William is "clearly not" Princess Kate.

<https://www.gbnews.com/royal/kate-middleton-news-bbc-reporter-prince-william-windsor-video>

Then we hear the person in the video was professional Middleton impersonator Heidi Agan.

<https://www.businessinsider.com/professional-kate-middleton-lookalike-heidi-agan-2017-5>

Next in this drama, BBC told people to expect a major announcement from the Royal Family. Flags were seen at half-mast on UK government buildings, leading to speculation the death of King Charles was about to be announced.

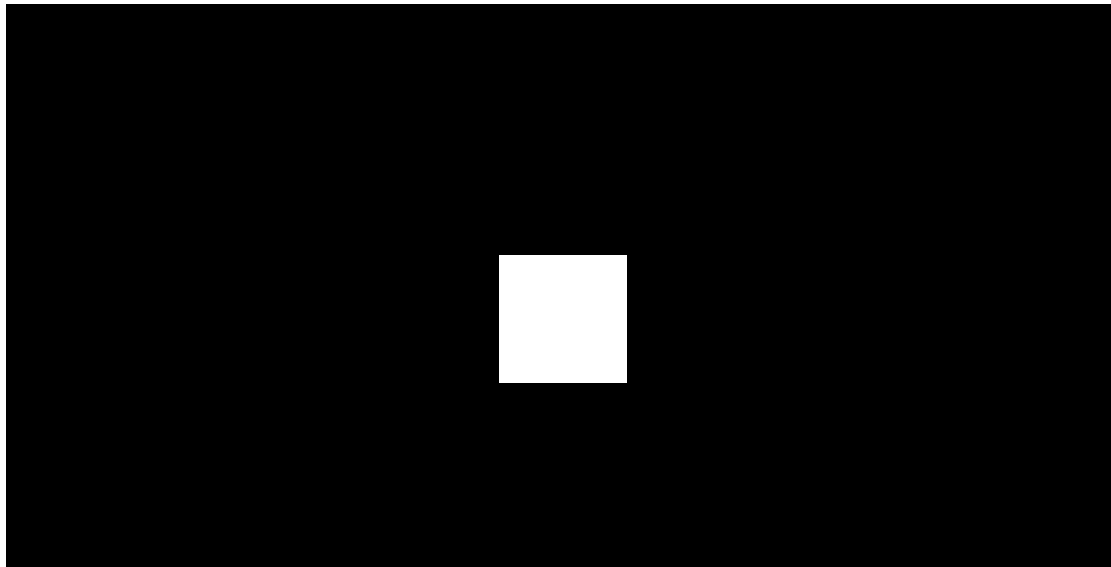

All this happened after the public announcement of the death of Jacob Rothschild (Roth=Red, Schild=shield of Satan), who many claim was the real father of Prince William (our own MI6 sources say the father is the King of Spain).

<https://www.businessinsider.com/professional-kate-middleton-lookalike-heidi-agan-2017-5>

The MI6 sources say what really happened was a major white hat operation against the Satanists at the top of the UK government. With the red shield of Satan having been removed from the scene, a public announcement was going to be made that Kate Middleton had been killed in a Satanic sacrifice and that the royals involved had been executed.

That is why the flags were at half-mast and a major announcement was about to be made, the sources say.

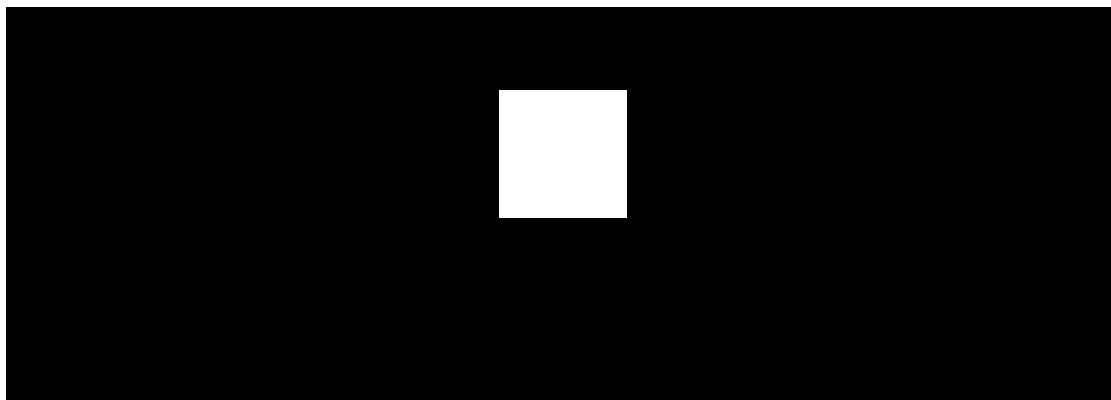

However, before this could happen, Barack Obama, the Thunder of Satan (Luke writes in chapter 10, verse 18 that Jesus said: "I saw Satan 'fall like lightning.' The Hebrew translation is "baraq o bamah.") shows up at the British Prime Ministers' residence.

00:00

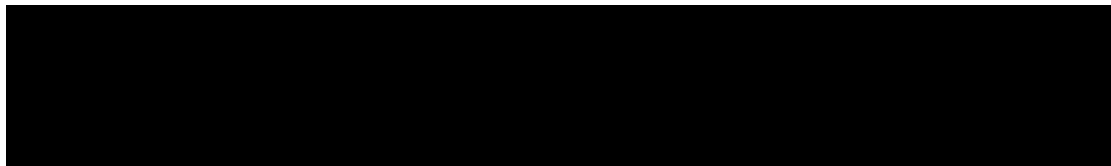

00:24

Following this, a new video was released by BBC showing Kate Middleton saying she had cancer.

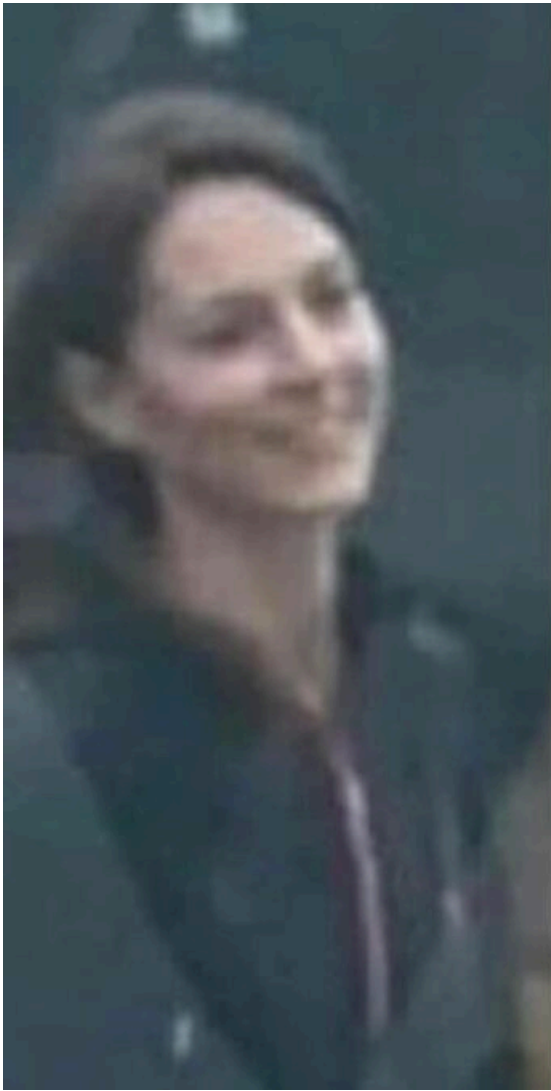

00:00

02:20

The problem is the Kate Middleton video released was a deep fake. You can tell because the ring on her hand disappears and then reappears. Also if she is on chemo, why does she have a full head of hair?

<https://rumble.com/embed/v4ip0pe/?pub=4>

As for the picture of Charles, a Canadian intelligence agency source comments: "They can read the name on a soldier's uniform from a satellite in space but they can't take a clear picture from the side of the road. The circus continues."

The reality is a public announcement Kate Middleton had been sacrificed to Satan would lead to a complete collapse of KM rule in the West, which is why they are trying so hard to cover it up.

The troubles surrounding the Rothschilds and the British Royals are connected to the murder of NSA Agent Robert David Steele. The head of MI6 tells us Steele was murdered because he discovered

a financial dark net that was based in Antarctica. Steele was investigating the financial backing of the KM international pedophile networks when he stumbled onto a supercomputer based in Antarctica. This computer was used by former Pope Maledict ("Benedict XVI"), Evelyn de Rothschild, David Rockefeller, US Presidents, Dick Cheney, "and all of that generation of the Western establishment."

This was how various terrorist groups like ISIS and Al Qaeda were financed. It was used to trade adrenochrome, launder drug money, pay for arms, etc.

At the time Steele and the NSA were zeroing in on this financial dark net Steele was approached by an individual by the name of Sacha Stone, aka Simon Jean Paul Sacha Adams. The articles linked below show Stone to be a Rockefeller deep state-connected agent charged with infiltrating truther movements.

<https://historylessonsdeleted.blogspot.com/2023/04/sacha-stone-gatekeeper.html?m=1>

<https://veteranstoday.com/2020/05/22/sacha-stone-failed-musician-tuned-esoteric-fraudster/>

<https://hoaxteadresearch.wordpress.com/2018/03/27/is-sacha-stone-the-new-kevin-anne-a-journey-down-the-rabbit-hole/>

Stone offered to finance Steele in a run for President of the United States. Steele was taken on a bus tour of the US heartland as a part of this. It seems Steele was offered this in exchange for his silence about the dark net. However, Steele told me he had a falling out with Stone. After that, he was taken to a Florida hospital, intubated and killed. When I asked my MI6 and CIA contacts at the time to intervene and help him, they told me he had been rescued and given a nice retirement pension.

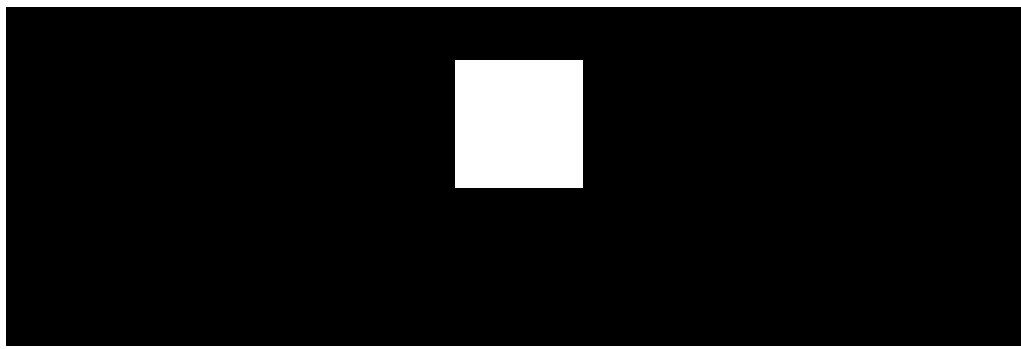

These same sources now admit they lied and that he was killed to keep the Antarctica-based financial dark net intact.

Our US Space Force sources tell us "There is a war going on in Antarctica between the light and dark forces, they both have very advanced technology." He adds "The place is on lockdown." It is all connected to the mass sacrifice event planned for April 8th. "Keep your eyes on the sky," the source says somewhat cryptically.

It looks like Obama's visit to slave Prime Minister Rishi Sunak was designed to buy time for some sort of Hail Mary move by the KM. In addition to whatever is planned for April 8th we saw a major push to start World War III with Russia via a mass murder attack in Moscow.

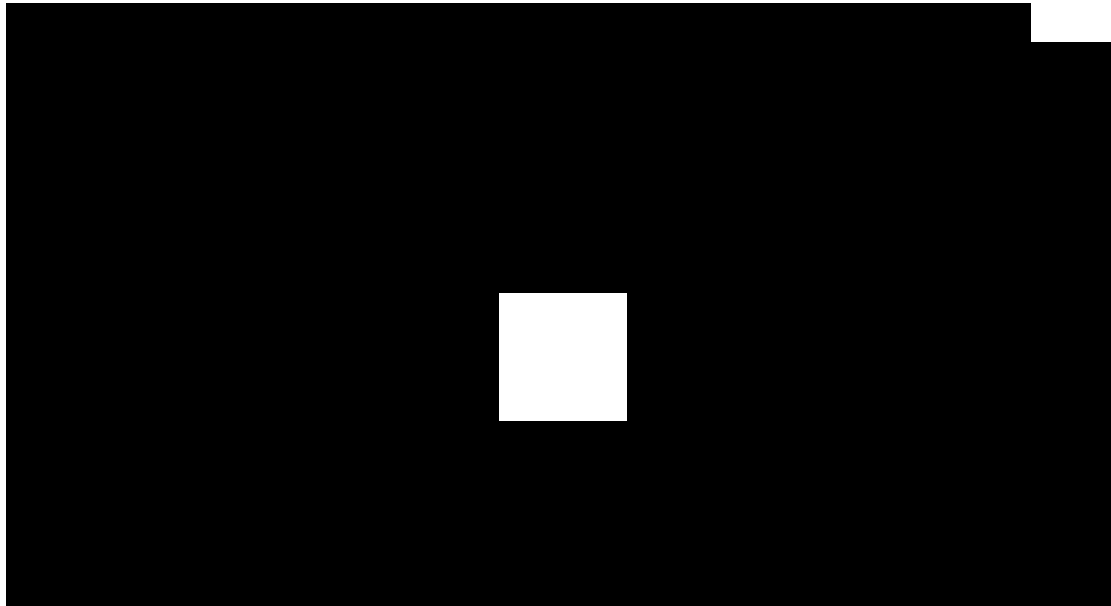

Obama obviously knew about the planned attack on the concert venue in Moscow and was hoping this would trigger the KMs' long-awaited Armageddon. That is why he was trying to buy time by delaying revelations about King Charles etc.

Credit for the attack was claimed by ISIS (Israeli Satanic Intelligence Service). US President Donald Trump says Obama founded ISIS. In the video below you can also see Obama himself admit to supporting this group.

00:00

00:23

"Today, ISIS took credit for the terror attack in Moscow. Obama's CIA created ISIS. Obama is the shadow POTUS. The CIA/MI6 already committed terrorism in the European theater by sabotaging Nordstream, There are no coincidences," a Pentagon source says.

Polish and French intelligence sources both note ISIS and Hamas have been fighting against Russia in Syria. Russian FSB sources know the terrorist attack on them ultimately originated in Tel Aviv.

Israel is run by the followers of Volodymyr Jabotinsky, a historic ally of Benito Mussolini and therefore a "fascist" in the full sense of the word, comments French journalist Thierry Meyssan.

<https://www.voltairenet.org/article220588.html>

Speaking about fascists, we had KM Satanist Victoria Nuland say one month ago that "Putin faces some nasty surprises." Furthermore, on 8 March, the US embassy in Moscow wrote it was "monitoring reports that extremists have imminent plans to target large gatherings in Moscow, to include concerts and US citizens should be advised to avoid large gatherings over the next 48 hours."

The Embassy is monitoring reports that extremists have imminent plans to target large gatherings in Moscow, to include concerts, and U.S. citizens should be advised to avoid large gatherings over the next 48 hours.

Actions to Take:

- Avoid crowds.
- Monitor local media for updates.
- Be aware of your surroundings.

Russian President Vladimir Putin has pledged to track down and punish those behind the “bloody and barbaric” terrorist attack in a concert hall outside Moscow as the death toll has soared to 137, according to Russian authorities.

Putin said that “all the perpetrators, organizers and those who ordered this crime will be justly and inevitably punished...Whoever they are, whoever is guiding them,” Putin added.

00:00

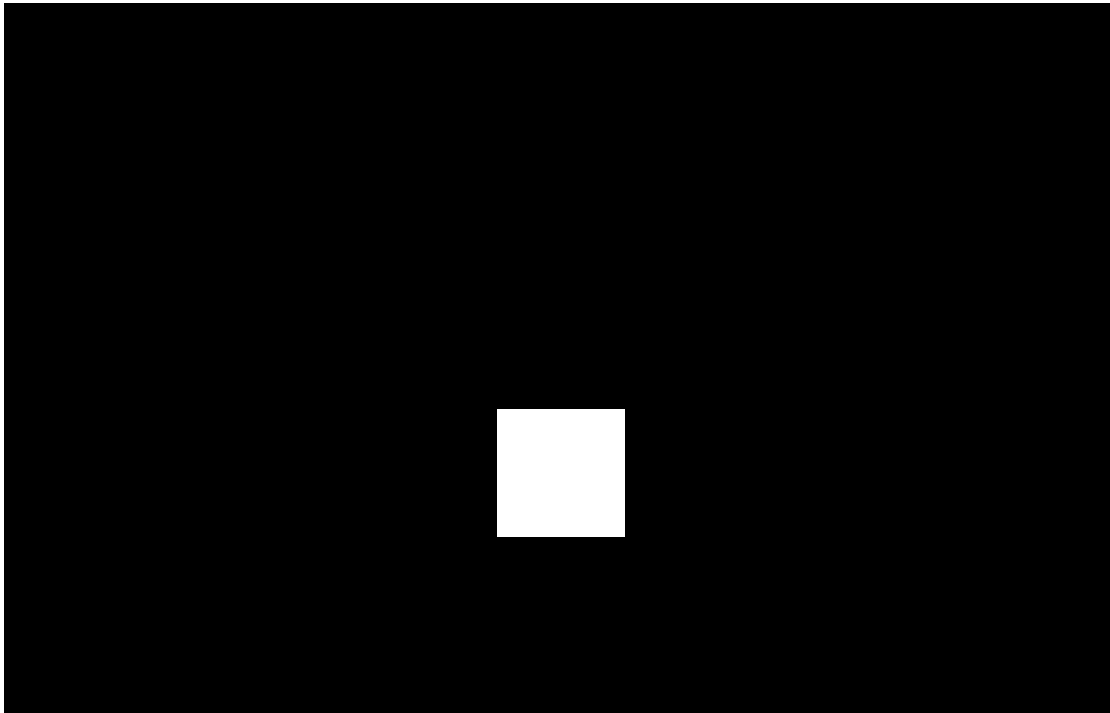

00:33

A Russian FSB source says the CIA has 12 bases in the Ukraine where they train terrorists.

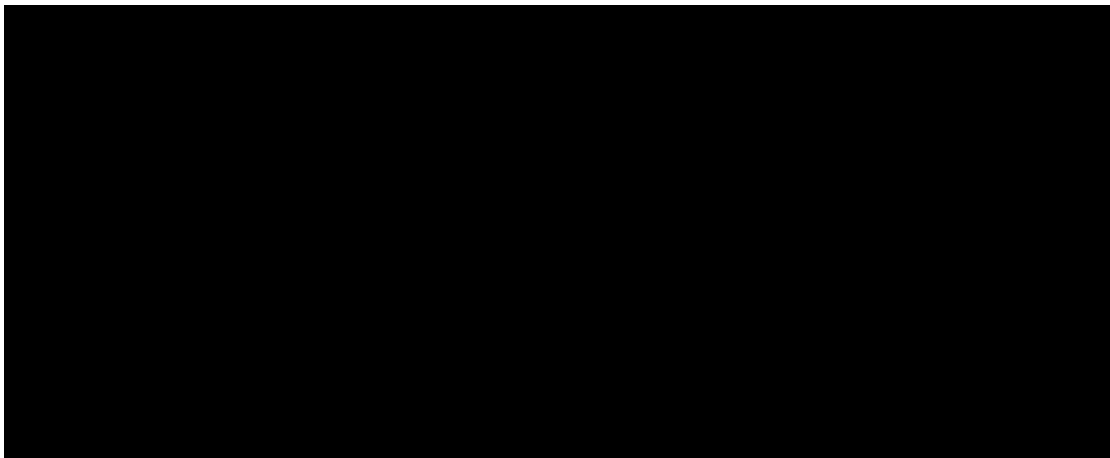

00:00

00:16

00:00

00:24

It's definitely heating up. So Israel & England just attacked Russia via their proxy. Now REGULAR TROOPS from France, Germany and Poland have arrived, by rail and air, to Cherkasy, south of Kyiv. A substantial force. No numbers have been leaked. They are being housed in schools. For all practical purposes, this is a NATO force.

The deployment of regular forces comes as former Chief of the General Staff of the Polish Armed Forces Rajmund Andrzejczak says "[Ukraine's actual] losses should be counted in the

millions, not the hundreds of thousands.” “There are no resources in this country, no one left to fight,” the general added.

Russia is also now talking about French troops in Ukraine. The head of the Russian Foreign Intelligence Service (SVR) Sergey Naryshkin says “French President Emmanuel Macron is hiding the truth about the number of French soldiers already killed in Ukraine for fear of mass protests in his country.”

Naryshkin adds French military leadership “fears discontent” among active mid-level officers. “Among the dead, there are ‘disproportionately many’ of them, and already at the current stage there are problems with finding ‘volunteers’ for rotation and ‘replacing those who have dropped out’ in the Ukrainian theater of military operations,” he said.

<https://www.aa.com.tr/en/europe/france-already-preparing-some-2-000-troops-for-ukraine-russia-claims/3168788>

Our French military sources agree. They say the killed General Georgelin “was a Freemason (not the nice Freemasons) homosexual and with pedo crime records kept under the rug to be able to control him.”

With the death of Georgelin the French military is now under the control of the white hats, the sources say. That is why the French military refused to obey orders from President Emmanuelle Macron Rothschild to kill French farmer protestors and declare war on Russia.

Last week the French white hats dealt a further blow against Macron by killing former French Culture Minister Frederic Mitterand, nephew of former President Francois Mitterand, they say. He was a top pedophile Satanist supporter of Macron, the sources say. They told us several other Macron backers would also be dying soon.

The same sources also told us the Satanic Haitian Gangster Barbeque who appeared in our report last week has been killed along with his henchmen. They say the KM has now lost access to adrenochrome from Haiti.

French President Macron himself admitted “Ukraine could fall very quickly,” during a political event at the Elysee Palace

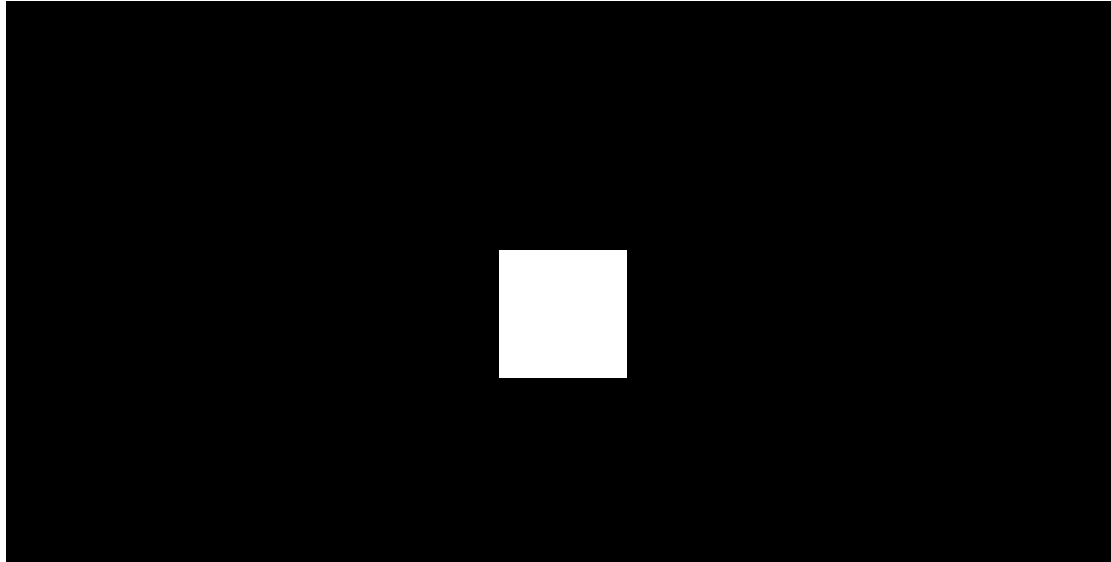

<https://tass.com/world/1763459>

Macron is the most senior bloodline family member in a formal position of power in the West so his fall would lead to the collapse of KM rule in Europe, the French patriots say. Certainly, since the British and French branches of the Rothschilds are run by David Rene de Rothschild, a loss of control of France would be a huge blow to the KM.

This would leave only Klaus Schwab Rothchild in Switzerland with his WEF, WHO and UN forces.

The WEF is a fanatical political organization that uses fear and manipulation, like Covid hysteria, like the hoax of global warming, to really facilitate people thinking that somehow they're the saviors, but really all you're doing is helping them accomplish their goal, which really is a global public-private fascist movement, and fusion of big government, big tech [and] big money, to create a technocratic ruling elite, which conveniently is them."

They want to create feudalism 2.0, in which we are serfs, and they are the lords ruling over us... That's what they're aiming for.

00:00

00:45

Schwab and his fellow goons are still trying to kill us with vaccines and bioweapons.

Polish intelligence informs us:

Communists in aprons sitting in the Silesian Medical Chamber in Katowice two days ago organized a rally of witches called a "scientific conference." At the meeting, they announced a draft of a "statutory ban on expressing views contrary to current medical knowledge." Let's start by deciphering the term "current medical knowledge". This is the "knowledge" coming from the very medical Central Committee of the Bolshevik Genocide Party, better known as the World Health Organization (WHO). This communist international, this medical Comintern, determines what is "current medical knowledge" on the basis of instructions it receives from the Gates Foundation, the Rockefeller Foundation and the five greatest global murderers forming the crime syndicate called Big Pharma.

Let us remind you that the framework of "current medical knowledge" has been set for years by a representative of a terror organization – the People's Front for the Defense of Tiger – an Ethiopian murderer who heads the WHO.

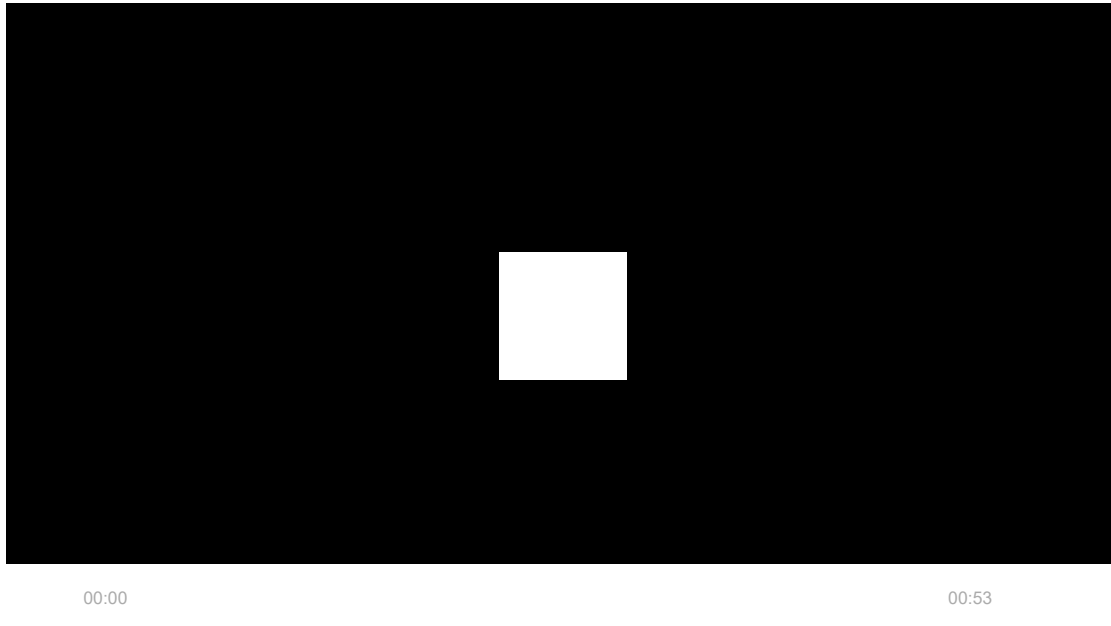

Tedros' boss, Bill Gates, is a raving idiot:

NYT Interviewer: "Some people would even say that if you just planted enough trees, it could take care of the climate issue altogether."

Bill Gates: "And that's complete nonsense."

"I mean, are we the science people, or are we the idiots? Which one do we want to be?"

Even if you assume that CO2 is somehow a "pollutant" that needs to be sucked out of the air (it's not, and it doesn't), you'd think trees—which suck CO2 out of the air for free—would make the ideal candidate. But no, apparently we need to impoverish ourselves into squalor building hideous, expensive and totally unnecessary carbon capture technology, attempting to solve a non-existent problem.

Gates and Schwab's Pharmacidical terrorists just got the fake rubber-masked Pope Francis to say "opposition to COVID-19 shots "distressed" him since "being against the antidote is an almost suicidal act of denial."

This is what "Pope" Francis is pushing:

The vaccinated will soon begin dying in their hundreds of millions according to British Member of Parliament Andrew Bridgen who revealed a Senior Cabinet Minister told him details of the plan to use turbo cancer to depopulate the world.

Congress of the United States

Washington, DC 20510

March 13, 2024

The Honorable Denis McDonough
Secretary
Department of Veterans Affairs
810 Vermont Ave NW
Washington, DC 20420

Dear Secretary McDonough,

As members of the Gun Violence Prevention Task Force, we are deeply concerned with Section 413 known as the Kennedy Amendment, which was included in the Senate-passed appropriations bill for Military Construction, Veterans Affairs, and Related Agencies appropriations bill, and later included in the minibus for six of the 12 government funding bills.

The Kennedy Amendment rolls back 30 years of common-sense precedent and practice which ensures that veterans who are deemed to be "mentally incompetent" are added to the National Instant Criminal Background Check System (NICS). The current process used by the Department of Veterans Affairs (VA) to make a competency determination as required by law, includes an opportunity for appeals, helps ensure that veterans who are a danger to themselves or others are flagged in the background check system if they try to purchase a firearm.

At a time when veteran suicide remains a terrible crisis, we should not be making it easier for veterans who are a danger to themselves or others to access firearms. Perversely, the Kennedy Amendment is not only a threat to the physical health of veterans, but also threatens to put troubled veterans into legal jeopardy. When the VA makes a determination that a veteran is "mentally incompetent," the veteran automatically becomes a 'prohibited purchaser' under longstanding federal regulations, thereby making it a felony for the veteran to purchase a firearm. This is true whether the firearm is purchased in a private sale or through a licensed dealer, and it is true whether or not the VA has submitted information about the mental status of the veterans to NICS.

We urge the Department to take several actions to protect veterans. First, we ask you to commit to creating an automatic process to seek a judicial order for veterans the Department has found to be mentally incompetent for the purposes of appropriately adding them to the NICS background check system.

Second, we request that the Department complete a study on veterans who are determined to be "mentally incompetent," and the veterans who die by suicide or are involved in incidents of gun violence. Understanding the sensitive nature of this information, this report should consist of anonymized numerical data and analysis.

Third, we urge the Department to make full use of state extreme risk protection order laws to flag concerning behaviors from veterans. The deadly mass shooting in Lewiston, Maine is a reminder of what can happen when red flags are not taken seriously. To that end, we encourage a concerted educational campaign highlighting the extreme risk protection order laws and processes available specific to the state VA facilities are located in. This information is vital for veterans and their families.

The Kennedy Amendment is dangerous for vulnerable veterans and makes our communities less safe. We urge you to use prior year funds to continue to submit data to the NICS system for as long as possible while the Department takes emergency action to institute changes that will address some of the issues raised by the Kennedy Amendment. We thank you for your consideration of this issue.

"It's almost impossible to imagine a future where there is not going to be significant violence as a result of this, given our fragile financial position," says Field Marshall Douglas MacGregor.

We also note the criminal government behind this just kicked the financial can down the road a little longer. "It is anticipated to unravel by starting in June and really going full downward spiral around August," a Pentagon source says.

While the West deals with Messianic parasites, China is leaving us in the dust (or vapor).

This article shows China has formally begun the hydrogen age:

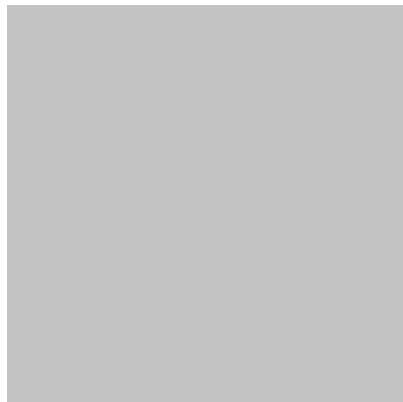

China’s first homegrown hydrogen-powered train completed its full-load running test at the speed of 160 kph on Thursday, it is a groundbreaking record for achieving performance verification of a full-system, full-scenario, and multi-level test of the hydrogen train.

Equipped with a built-in hydrogen power system, the average energy consumption per kilometer of the train is 5 kWh during the test, which is on par with world-leading levels, and the maximum mileage of this train can reach more than 1,000 kilometers.
